

## Mapped: a world at war Today's wars. On one map.

By [IRIN News](#), 26 April 2016 (Accessed 12 May 2016)

This map of ongoing conflicts around the world is part of IRIN's ongoing series on the world's forgotten conflicts. Our package of stories, films and graphics has so far looked in-depth at the situation in Myanmar, South Kordofan in Sudan, Casamance in Senegal, the border states of southern Thailand, and the island of Mindanao in the southern Philippines. Go to our **Forgotten Conflicts** page to read the features or click on each button and zoom in and out to find out more on the world's conflicts:
